

# Even Hillary couldn't get to the top alone...

So why not let the Cawthron Trust  
help you reach your peak.

## If you

- Have a science background,
- Are currently working in a management role, and
- Are committed to integrating science and business to help build a sustainable future for New Zealand

## Apply NOW

For the inaugural 'Cawthron Science Leader Award'.

You can win an all expenses paid place on the prestigious Hillary Leadership Programme.

Applications close 20 June 2008.

*Cawthron - and you – taking science to new heights.*

 CAWTHRON

The Award is sponsored by the Cawthron Trust which invests in initiatives to promote and develop scientific excellence. It owns the Cawthron Institute which provides high quality research, advice and analytical services to support development of New Zealand's seafood industry and sustainable management of the coastal and freshwater environment.
