## Oil Submission Form

### Special Storage Requirements

Test	Requirement
Anthocyanins	Light sensitive
Antioxidants	Light sensitive
Astaxanthin	Light sensitive
Peroxide Value & Acid Value & P-Anisidine	Light sensitive and use container with minimal headspace
Phenolics	Light sensitive
Residual Solvents	Container with minimal headspace
Resveratrol	Light sensitive
Rotenone	Bottles supplied by lab
Trace elements	Avoid metal utensils for sampling to avoid contamination
Vitamins	Light sensitive
