IMPORTANT SAMPLE INFORMATION

Please note that we will not receive samples containing Controlled Drugs such as CBD, THC or their variants without a copy of the relevant licences that you **MUST** have and supply with your samples. You should have at least a General Licence under the Misuse of Drugs (Industrial Hemp) Regulations 2006. If you do research and breeding of (industrial) hemp, then you need an additional licence under this act.

Misuse of Drugs (Industrial Hemp) Regulations 2006

General licence

1. *A general licence authorises the licence holder to undertake, in accordance with the licence and these regulations, any of the following activities that are specified in the licence:*
 - a. *the procurement within New Zealand of industrial hemp:*
 - b. *the cultivation of industrial hemp:*
 - c. *the supply within New Zealand of industrial hemp:*
 - d. *the processing of industrial hemp into specified hemp products:*
 - e. *the possession of industrial hemp for the purposes of the activities specified in the licence.*
2. *A licence holder is authorised to undertake the activities specified in a general licence only in respect of approved cultivars or, if the licence is limited to particular approved cultivars, the approved cultivars specified in the licence.*

If you are in any doubt, please contact us **before** sending any samples to Cawthron.

IMPORTANT: Samples containing controlled drugs, received without a copy of the appropriate licence or submission form will be logged and immediately destroyed according to our internal process for destroying Controlled Drugs.
